

P 21

FINISHING

The knitted, elastic cuff made with FIT-WRIST technology is pleasant to the touch and perfectly adapts to the shape of the wrist, ensuring full comfort of work.

INSERT

The **SAFEEL** insert fits the hand perfectly, ensuring high wearing comfort, and has a safe, BPA-free composition.

COATING

PU-REFORMANCE

The spongy, light, polyurethane structure of the coating ensures high grip and precision of grip.

CHARAKTERISTICS

Antistatic glove, knitted from soft white nylon fiber and carbon fiber. Only the fingertips are covered with polyurethane, making the glove ideal for work during which only these parts of the hand are at risk.

SIZE: 6-11

ENVIRONMENT: dry/at risk of static electricity
